PT-2200

[Up to 1", Laminated TZ tape]

The PT-2200 creates professional-quality, laminated, adhesive-backed labels that can be used for virtually any deluxe office application. The PT-2200 labeling system uses laminated "TZ" tape labels that are available in a wide variety of color combinations and 4 different widths. Each label adheres to practically any surface, withstands temperature changes and is water resistant. These laminated labels are ideal for identifying folders, computer disks, office equipment, computer hardware

and more. The PT-2200 is easy to use. It's also loaded with useful features including 4 built-in fonts, 8 type styles, 7 type sizes, vertical and mirror printing, 5 line printing (up to 48 points). Complete with one black on white "TZ" tape, 8 AA batteries (optional AC adapter), user's manual and tape separator. The PT-2200 is perfect for organizing all your professional needs.
